Students on academic probation are required to attend an Academic Success Workshop.

At the workshop you will:
✓ Learn about support services available to you
✓ Construct an academic success plan
✓ Identify barriers interfering with your academic success
✓ Discuss strategies for success
✓ Complete the academic probation contract

Workshops will be limited to the first 30 participants. You should plan to arrive early.

Late arrivals will be required to attend a future session. Summer workshops will be held in the Calkins Science Center.

If you do not attend an Academic Success Workshop, a registration hold will be placed on your account until you attend a workshop.
