Our goal is to ensure that students have the necessary resources and support to stay in college, graduate, or transfer to other institutions of higher learning.
What We Do

• Provide intensive academic assistance to skip required courses in Reading, English, or Math for FREE with the On Track/Fast Track programs.

• Recruit and conduct an intake with each student to identify strengths and assist in removing barriers to academic success.

• Prepare students to take the Accuplacer Test.

• Provide information about required courses in English, Math, and Reading.

• Provide students with academic advising appointments and New Student Orientation.

• Provide information about financial aid and scholarships.

• Provide short- and long-term goal setting sessions with students.

• Monitor students’ academic progress throughout their academic career.

• Connect students with resources on and off campus (tutoring, workshops, etc.)

• Personalized support from a Success Coach.
