Chemistry Course Codes and Numbers are Changing at GRCC for Fall 2011*

For the following courses, the codes and/or numbers are changing:

Basic Chemistry, CM 100 will be CHM 100
Chemistry in the Modern World, CM 101 will be CHM 110
Introduction to Chemical Technology, CM 102 will be CHM 102
Survey of General Chemistry, CM 109 will be CHM 120
Battery Technology, CM 170 will be CHM 170
General, Organic and Biochemistry, CM 210 will be CHM 210
Quantitative Chemical Analysis, CM 212 will be CHM 280
Introduction to Organic and Biochemistry Lab, CM 229 will be CHM 231
Introduction to Organic and Biochemistry, CM 230 will be CHM 230
Survey of Organic Chemistry, CM 231 will be CHM 240
Organic Chemistry I, CM 236 will be CHM 260
Organic Chemistry I Lab, CM 237 will be CHM 261
Organic Chemistry II, CM 238 will be CHM 270
Organic Chemistry II Lab, CM 239 will be CHM 271
Instrumental Analysis, CM 282 will be CHM 290

For the following courses, the codes and or numbers are changing and the lectures and labs can now be taken separately:

General Chemistry I/Lab, CM 103 will be CHM 130 and CHM 131 (lab)
General Chemistry II/Lab, CM 104 will be CHM 140 and CHM 141 (lab)
Honors Chemistry I Lab, CM 113 will be CHM 150 and CHM 151 (lab)
Honors Chemistry II Lab, CM 114 will be CHM 160 and CHM 161 (lab)
Biological Chemistry/Lab, CM 241 will be CHM 250 and CHM 251 (lab)

*Please see any Chemistry Faculty if you have questions.
