

## IRB Requests for 2010-2011

REQUESTOR	DATE REQUESTED	TITLE	BRIEF DESCRIPTION/PURPOSE	STATUS
Eric Kunnen	2/8/11	Study of Students and Information Technology	Eric is asking permission for this study to be repeated this year with a new group of students. Eric has found the information collected from GRCC students and the benchmark data to be useful as he does his work.	Approved in Feb 2011
Fawn Tobolic	2/9/11	Veteran Survey	This survey is part of an assignment by Grand Valley State University for class SW693 Social Research II. The final paper will consist of quantitative research including results to be used in a final research paper/presentation for this class.	Approved in Feb 2011
Abbot Kastanek	2/10/11	Capstone Project	The purpose of this research is to help identify student perception of the Devos and Main Campuses at GRCC and to then use the gathered information to help unite the campuses together.	Approved in Feb 2011
Michael Cousineau	5/4/11	Investigation of the Effects of Michigan Merit Curriculum on Enrollment of Remedial Mathematics at Community Colleges	The research is to identify if there is an enrollment trend at Michigan Community Colleges of students taking developmental mathematics classes, particularly those just graduating high school.	Approved in May 2011
