

## Written Arrangements Disclosures for the Surgical Technology at GRCC

The Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA), requires colleges participating in federal student aid programs to make certain disclosures. In compliance with these federal laws, Grand Rapids Community College is providing information for specific programs offered at GRCC, which incur additional costs of attendance due to a portion of the program being completed at an off-campus location. The Surgical Technology Program requires off-site instruction, which accounts for approximately 15% of the program courses and includes 672 externship hours at major hospitals in West Michigan. The off-site locations are located within a 13 mile radius of the GRCC's main Grand Rapids campus. Students are responsible for transportation to the off site locations and any other costs associated with attending the off-campus location. Costs range from \$1.00 to \$26.00 per trip and may include mileage, parking, and other costs related to the off-site placement (e.g., uniform).

The following list includes possible sites where a student could be assigned to complete their off-campus requirements for the program. The following information is accurate as of March 2024.

Name of the Institution/Entity	Address
University of Michigan Health - West	5900 Byron Center Ave SW, Wyoming, MI 49519
Trinity Health - Grand Rapids	200 Jefferson Ave SE, Grand Rapids, MI 49503
Corewell Health - West	100 Michigan St NE, Grand Rapids, MI 49503
