

# **Workforce Pathways**

GRCC will prepare students for the workforce in our community and the world.

## **Strategy 2.2 - Student Pathways**

Provide expanded engagement opportunities for students related to work goals.

### **CAP #2.2.1 Integrate All Career and Job Placement Services**

**SLT Update • November 14, 2014**

## Project Purpose

To explore and develop a plan for an integrated career and job placement services design that includes student and alumni employment, career advising and testing, internships, job placement, job shadowing, job search readiness and other related components.
