- Stacey Heisler (Counseling)
- Steve Henkelman (JT Machinist CNC)
- Scott Mattson (JT)
- Brandon Sinclair (Student)
- Tom Street (Electronics)
- Luanne Wedge (Stu Employment)
- John VanElst (Kellogg Grant)
- Kelsey Hardin (Talent 2025)

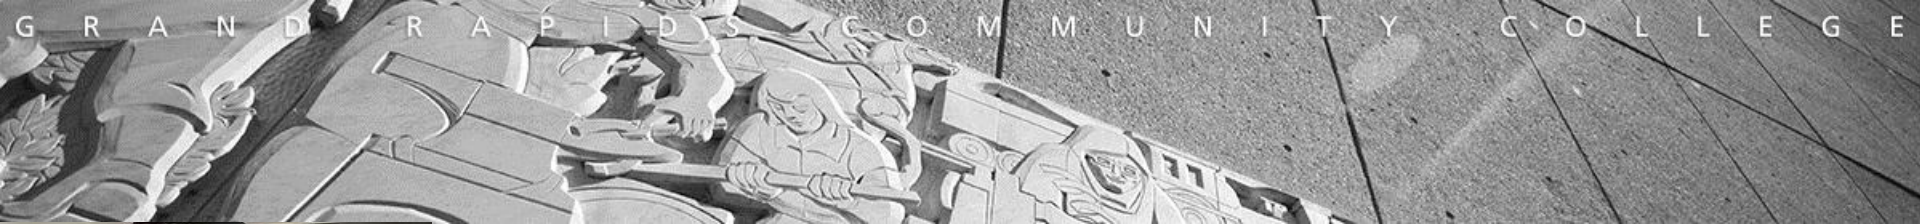

Purpose

Identify what workforce (employability) skills standards GRCC is currently teaching compared to the skills employers require and to close any gaps between the two.

Measurable Criteria

- Dept/Areas for review and develop aligned to program review schedule.
- # of employability skills taught in what classes.
- Employer satisfaction with employability skills obtained by students.
- Student satisfaction as measured by CCSSE survey questions related to employment and skills.
