**CAP 2.2.2.**

**GRCC**

## **Benchmark and create processes to support the expansion and creation of career learning experiences integrated into curriculum and student experiences.**

### Phase 1 Accomplishments:

- Benchmarked existing career learning experiences at GRCC.
- Determined the processes to create such experiences
- Developed a faculty career learning experiences webpage

## Phase 2: Utilize Handshake to connect employers with teachers/students

- Met with Luanne Wedge to determine feasibility
- Worked with Handshake support team to investigate the internship feature

### Next Steps:

- Allow employers to post internships in Handshake
- Students would apply like any other job
