Integrated Reading and Writing Update

- Implementation Fall 2017
- Continued curriculum development
- Curriculum training for faculty
- Worked with Enrollment, Registrar, Counseling and Communications to ensure successful implementation for fall.

Academic Foundations Program Math Courses Update

- New Pathway for MTA students taking Math for Liberal Arts (MA 099)
- Realigning and updating curriculum in MA 097 due to the elimination of MA 095 and MA 096.
- Creating a math support lab for students who score below MA 097 placement. This new work is due to sudden elimination of financial aid for MA 095 and MA 096.

Academic Foundations Program Psychology Course

- Fall 2017 the AFP PY 100 coordinator will work with IRW faculty to align common language and “affective or emotional intelligence” strategies across both curriculums.

Implementation of Faculty Inquiry Groups Fall 2017

Discipline Specific Faculty Inquiry Groups

- Facilitated by both full time and adjunct faculty
- Each FIG will focus on discipline specific issues and use data to strategically target student success in their courses.
- Each FIG will continue to discuss cultural competency as it relates to their teaching practice and beyond.
