

GRCC Public Safety Advisory Committee Complaint

Complaint against the Grand Rapids Community College Police Department, or Officer(s) of that Department

The GRCC Public Safety Advisory Committee ("Committee") is an oversight committee created under the Community College Act of 1966, Amended in 1998, section 389.123 (3). The primary function of the committee is to consider grievances by persons against police officers or the police department arising out of acts or omissions of such officers or the department. The committee may prepare and make recommendations concerning such grievances, including recommendations for disciplinary measures against a police officer who was found responsible for misconduct in the office.

The committee encourages the complainant to first attempt resolution of any dissatisfaction you may have by working with the GRCC Police department. If you are unable to satisfactorily resolve the matter, or if you do not wish to do so, you may submit your formal grievance by completing the following grievance form.
